

## **DR. NORMAN KANE**

Dr. Norman Kane's worldwide medical experience brings an international perspective to Orthopaedic Specialists of North County. A graduate from the University Witwaters and Medical School in Johannesburg, South Africa, he performed a surgical internship in the Intensive Care Unit of Addington Hospital in Durban, South Africa.

Dr. Kane performed a medical and surgical internship at Johannesburg General Hospital and also served as a military medical officer performing trauma and emergency surgeries.

Dr. Kane performed his surgical residency at St. Mary's Hospital in Waterbury, Conn. and another surgical residency at Tufts New England Medical Center. At Stanford Medical Center he performed his urological and orthopaedic residencies. In 1983 he became a Fellow of the Royal College of Surgeons (Canada).

A diplomate of the American Board of Orthopaedic Surgery since 1985 he is also affiliated with the Western Orthopaedic Association and the San Diego County Medical Association.

Formerly chief of orthopaedic surgery at Tri City Medical Center, he also served as orthopaedic surgeon and team physician to the San Diego Chargers football team and San Diego Sockers soccer team. Dr. Kane lectures internationally.

His interests are sports medicine, arthroscopic surgery, and joint replacement.

Orthopaedic Specialists of North County (OSNC), was founded in Oceanside in 1965 and incorporated in 1973. Over the years, we have treated multi-generations of families, including parents, grandparents and great-grand-parents for their orthopaedic injuries and ailments.

Our 13 board-certified physicians care for accident, sports - or work-related injuries, replacing total joints, or relieving chronic or acute pain. They give patients more lifestyle choices by offering the latest procedures, to help them stay active. For the convenience of their patients OSNC also offers services such as imaging, urgent care, and physical therapy to help patients recover; regain body strength quicker with less locations to visit.
